Weekend Film Crew Productions can serve your needs in the following areas:

- SALES & MARKETING - We can shoot a commercial to advertise your business on TV , on the Web and on DVD!
- EVENTS - From Weddings, Sporting Events, to live concerts.
- MUSIC VIDEO - Your band needs a great music video to go to the next level. We can help.
- COMMERCIAL WEBSITES - Stay on the cutting edge by presenting your product with a clean-looking professional website for your business that uses the latest technologies.
- Content Management Systems - You can login to your site and make changes! No more relying on your "Webmaster".
- Web Video - Utilize your TV commercials on your website. - Video sells better than words alone! Put your video on YouTube, Video Google, and other sites.
- Shopping Cart Systems - Sell your products directly from your website!
- Sales Blog - Todays consumers respond to information they can use, such as tips and tricks to using your products. This also shows you and your company as an expert in your field.
- RSS feeds - You can use articles from other websites that change dynamically when the source site changes, giving you fresh content that relates to your product or service.

-
Photo Gallery - Add photos of your product or service in action, or your clients using them. This lends even more credibility to your company.

-
SEO - Search Engine Optimization. - To compete in today's marketplace, you need to be found. It is critical to have your website tuned up to place you higher in the search results.
